I loved this informative guide and am amazed at the wondrous sites to be found. From tombs and forts to towers and gardens the places to see are endless and Shalu Sharma did an amazing job bringing them to life and giving me the longing to travel to these wondrous places. I love that the author added so many links to add to this guide, don't forget to click on them, you will feel like you

are already traveling. Lots of information, great pictures and an author that knows how to bring other destinations to the reader make this book a must have!

India has been on my list of places to travel for some time now. I visited the country when I was in the U S Army some decades ago and I've wanted to go back since then. Shaku Sharma, the author has created this book, listing and detailing the various places to visit in Delhi, both Old Delhi and new. I would want to organize my own tour of places like the Janpath Market and the monument at Akshardham. Heck, I'd like to visit all the places she mentioned even though I might take 2-3 days. The photos included in the book along with the sites listed is wonderful

Are you planned to travel Delhi in near future? Then "Travel Delhi" will be your virtual guider before you reach there. Delhi, India's bustling capital has many famous and fascinating tourist destinations. The vast Red Fort and the Jama Masjid Mosque are some of the architectural splendors of northern India. We should be aware of these places to enjoy the most. This book make us familiar with all important places. Keep this guide with you if you plan to visit Delhi.

Not a travel guide but a very good introduction to knowing which the main sights are. I am going to Delhi in February and this small guide had been helpful .

the price is right

Whether planning a vacation or free time during a business trip to Dehli I recommend reading and taking Travel Dehli on the trip. Shalu Sharma gives a listing of the sights, including pictures. She includes historical information as well as various other info a traveler needs to know such as cost, amount of time to visit, hours of visitation, the best means of travel around Dehli along with a variety of other information. A must read and own if visiting Dehli for any reason.
