Aruba Bonaire & Curagao

Synopsis

There comes a time in many a Caribbean traveller's voyages when all those gorgeous beaches framed by palms and etched by azure seas may blend into one lovely, hazy memory, a record playing the same tune. Was that Bahamas or Barbados? Have I seen the Virgins or the Saints? Not so, once you have touched down on the ABCs: Aruba, Bonaire and Curacao. From Curacao's historical renaissance to Aruba's endless sandy fun to Bonaire's well-finned waters, this part of the world overflows with unexpected delights and engaging surroundings. Like three sisters, Aruba, Bonaire and Curacao share in familial traits but are each uniquely endowed. Taste one or savour all three. The only thing you can expect is an unquenchable thirst for more.

Customer Reviews

Book cover torn and not in good shape. This book was not in NEW condition.

This book was very informative and helpful to decide where to take our vacation

I wanted a book to serve as a souvenir of sorts for our trip to Curacao and Bonaire. This is nicely done with some great photos and tidbits about each.

I went to several bookstores to find a hard cover picture book on Aruba but could not find what I wanted. When I searched .com and came across the Aruba, Bonaire And Curacao hard cover book I knew it was exactly what I was looking for. I am using this as a guest sign in book for my wedding.

I did not want the typical sign your name type wedding book. This book will allow guests to write in memorable words for my fiance and I to look back on for years to come.
