Getting A Job You Love During A Tough Economy: Job Hunting Made Simple, Easy, & Quick For You (Volume 1)

Synopsis

Unemployed? Under-employed? Unhappily employed? Self-employed without wishing to be? If you follow the simple steps outlined in this book, you will dramatically increase your ability to accurately identify jobs that are well matched to you. More importantly, you will simultaneously increase your chances of securing one of those jobs. Job Hunting made Simple, Easy, and Quick for YOU: + Career Planning & research. + More Effective Resumes. + Cover Letters. + Obtaining Interviews. + Interview Techniques. + Negotiating Optimal Compensation. This is the fourth decade the author has proved you can find satisfying employment, even during a weak economy. The principles in this book have helped literally hundreds of individuals; Recent college graduates. Mid-career professionals. Baby boomers. Employees rearing retirement. Career counselors. Although there is no such thing as a perfect job, YOU can identify and secure satisfying employment, in spite of a recession. Learn the Secrets to Finding Your "Work Home" "Work Home" "Work Home" what is it? Is it a job that pays the highest salary? Is it a position with the greatest advancement potential? Or is it employment with a prestigious company? The answer to each of these questions is often a surprising and disappointing "NO!" About the author, Dr. Jobs (William Guy): "Dr. Jobs" has a passion for helping others. He has served as president of a worldwide charity for underprivileged and special children. He has served on the board of directors of numerous organizations whose charter is to help those who are less fortunate. And he is currently on a quest to create a million new jobs for those who can't find meaningful employment. But why should YOU listen to his advice? Mr. Guy has been on the front lines of the employment market place for over 40 years. He served as Senior Partner of Ward Howell International Group (now Heidrick & Struggles) and earlier as Senior Associate of Korn/Ferry & Associates, both firms being leaders in the field of retained executive search. He founded and personally built the largest "headhunting" firm of its type in the world, Cornerstone International Group, which does recruiting for virtually every industry, every job discipline, & every geographical location around the globe. As the ultimate expert on employment, he gives seminars and talks worldwide and offers books, DVD's, & CD's, plus webinars on the Do's & Don'ts of Job Hunting. Bill Guy, the Jobs Guy: Founder & Chairman Emeritus of one of the world's leading headhunting organizations, Cornerstone International Group,* and CEO of his local recruiting company, Cornerstone Leadership Solutions, Mr. Guy has served as a consultant to Boards of Directors and senior management of many of the world's largest organizations in both the public and private sectors. This senior-level consulting has included numerous executive evaluations of Chairpersons, Presidents, Managing Directors, and other top management in virtually every industry. Previously, Mr. Guy served as a Senior Partner of Ward Howell International Group (now Heidrick & Struggles) and earlier as Senior Associate of Korn/Ferry & Associates, both firms being leaders in the field of retained executive search. Prior to entering the executive search profession, Mr. Guy served as a Group Marketing Executive for six subsidiaries of an NYSE-listed conglomerate (International Industries Inc.) with worldwide responsibility. An active philanthropist, Mr. Guy served three terms as President of Outreach Love, an international charity for under-privileged, homeless, and mentally-challenged children, and he is the proud recipient of the prestigious "Silver Beaver" Award for outstanding service to youth and to the community. Mr. Guy holds a degree in economics (minor in psychology & education) from California State University, Northridge, and has guest lectured to students from many colleges including Auburn, Stanford, USC, UCLA, UCI, CLU, Peter Drucker Graduate School of Management (Claremont Colleges), SFV College of Law, etc. Additionally, he has written many articles, books, and guest columns on the subjects of career planning and organizational leadership. * Cornerstone International Group has quietly grown to one of the largest consulting organizations of its type in the world. Cornerstone professionals are primarily former senior partners who broke away from premier consulting firms such as Booz Allen

and Hamilton, Accenture, McKinsey & Company, Arthur D. Little, Ernst & Whinney, Sperry Rand Corporation, Hay Management Group, PE Consultants, Arthur Young, Korn/Ferry International, Boyden Associates, Berndtson International, Heidrick and Struggles, Spencer Stuart, Ward Howell, Egon Zehnder, etc. Cornerstone offices are strategically positioned in major cities globally.

I read both books while taking a course with Professor Guy and the exercises in the books are great for really honing in on your personal skills and interests! Not only is the book a helpful guide to job hunting, but it helps you identify what makes you a great candidate for a job. In addition, the presentation style format outlined in the book will make you stand out among other candidates and give you a higher chance of being called in for an interview.

The book provides an excellent concise guide to planning and implementing winning strategies for landing next dream job. Very helpful for people who currently look for a job but also must-read for people who have a job. It is based on the concept that identifying natural match between the job seeker (personality type, individual values, experience, and skills) and potential position is the best foundation for securing really satisfying dream job. But it will take a homework! I highly recommend you to read the book so that you can discover what that includes. Some of it may surprise you!

Good book with a lot of important resources sought after by many different professions. You can get better at what you do by studying this!

When looking for a job we can often pursue positions from the wrong perspective which could negatively impact our job search success. This book gives a refreshing and insightful viewpoint on what to do when on your next search.

Great book! This is definitely a 5-star publication. I strongly recommend this book for anyone who is career transitioning for whatever reason. It is nothing like the typical boring job-hunting books that are everywhere. This book is an excellent and 'practical' guide that is well organized and easy to read. You can tell that the author knows his business. He is obviously a proven professional with years of experience in the area, and this book is actually a great service to the community. 'Tis the season and there is nothing worse than a useless holiday gift. Glad I found a practical one to give to some friends and associates who are in the job market. Thanks Bill Guy! J.A. Los Angeles

Bill, you have done a wonderful service not only to job seekers but Executive search professionals like me who have to give advise on career transition to lot of senior professionals. Very good tool book even for Executive Coaching situations. It is very comprehensive, user friendly, and is full of insights gained over many years of practice. Keep it up. I hope this is just a beginning and you are planning to share your wisdom and insights how you built one of the top 10 global Executive Search firms and also your thoughts on leadership assessment.

Few employment guides available today include the exhaustive precision and wealth of detail that leap from every page of this book. Composed by a stellar professional who has recruited for top companies like Apple, Bill Guy enjoyed a career as one of the world's most knowledgeable and successful retained search recruiters. Accordingly, he built one of America's top ten executive search firms and his chosen insights are well worthy of those seeking to enhance their careers and improve their lives. David Young

This is not a book full of fluff about getting you a job. It is a precise, detailed, practical process description of getting you the just the job you will love. It tells you that anything you want is possible, but you got to work on it. It does not happen by itself - but it will when you use the right process. Highly recommended.
