Customer Reviews

Pat Olski is a knitwear designer whose designs have been featured in many issues of Vogue Knitting, Vogue Crochet, Knit Simple, and Noro magazines, as well as in a variety of books ranging from Debbie Bliss's "Creative Cables" to the Cascade "60 Quick" project series. She has designed numerous patterns for major yarn companies. Pat is the author of three crochet booklets, as well as the books "Alice in Wonderland" in amigurumi and "Fairy Tales, Fables, and Folklore" in her proprietary yarn craft "Yarn Whirled". Her books, "The Wizard of Oz" in amigurumi and "Yarn Whirled : The Royal Family", will be published in summer 2017.

I saw this book in one of the big craft store chains and fell in love with it. I ordered it from when I returned home. These dolls are so cute! So creative! Everyone loves them. The instructions couldn't

be more clear and are not difficult to make.

This book is just adorable. It is hard to decide which character to make first!!!! bought the Kindle edition, I actually happened on this book by mistake and after looking at a preview of the paperback book on .com, I just had to have it. The characters are just adorable and I hope your other books will become available for Kindle users. Thank you for such a great book. It works good on the Kindle app for Mac and Android and my iPhone!!! At least I am having no problem with the book on those apps. Can't wait to see your other books on Kindle!!! :)

This is the most amazing book of it's kind. Every doll in here is put together out of skeins of yarn of your choice. You can add any embellishments you wish to the dolls. Picture instructions and written word instructions that are clear and easy to follow. Very pleased with my purchase and I look forward to seeing other books of this type in the future. Thank you.

These dolls are super cute and baby safe!!!

In a word...AMAZING! So well written and the dolls are simple to make and beautiful. My daughter loves the book and the dolls. I can not wait for the next book!

Process looks easy.

I was really excited to get my copy of this book. This is such an original craft - I have not seen anything like it elsewhere. I was amazed at how well my first doll turned out. I am really looking forward to making more dolls - and customizing them. A friend who noticed the book on my table asked if I could make one of their League of Legends avatar. I am looking forward to seeing what other ideas Pat Olski comes up with in future books.

I received a copy of from NetGalley and the publisher in exchange for my honest review.
Description From the Publisher: Want to create adorable yarn dolls? Give it a whirl! Create a lovable character from the

classic stories of Hans Christian Andersen and the Brothers Grimm with this brand new craft. This unique way of wrapping yarn requires no previous experience or special tools, and uses yarn that can be found at your local craft store. Fun, step-by-step instructions and full-color photographs show all you need to know to create Cinderella and Prince Charming, Hansel and Gretel, King Arthur and Queen Guinevere, Robin Hood and Maid Marian, Snow White, The Little Mermaid, and many other beloved favorites. My Review: With a wide variety of characters to create for yourself and to share there is bound to be many appealing temptations. The patterns are very clear and easy to follow with a list of required materials for each. They can be time consuming in that you need to stop to do on occasion to complete other things, such as work, eating and sleeping. Not to mention spending time with your family, but they are so adorable you will want to finish them quickly. Soft and cuddly they are suitable for all ages and as gifts. I am working on the Little Mermaid characters at present and hope to soon start the King Arthur ones next. Pick up a copy and see for yourself. My rating is 4.25 out of 5 stars.
