Christ In The Feast Of Tabernacles

Synopsis

The author is the current president of Jews for Jesus, a ministry dedicated to reaching Jews with the Gospel. This book is written for Jews, messianic believers, and Gentiles curious about the connection between the ancient fall festival of the Old Testament and Jesus Christ, and for missionaries evangelizing to Jewish people. A companion book to Christ in the Passover.

Customer Reviews

It is a joy to commend David Brickner's excellent book on the Festival of Tabernacles in the cycle of the seven holy days described in Leviticus 23. Many will be surprised to learn how significant this Feast was in the life of our Lord and what a major part it plays in God's work of the end times. This book will open up whole new vistas for many readers of the Bible.-Dr. Walter C. Kaiser, Jr. President Emeritus, Gordon-Conwell Theological Seminary As Christians, we cannot understand our faith unless we understand the Jewish roots from which it springs. For example, all the feasts of Israel were designed by God specifically to teach us fundamental truths about the Lord Jesus and his work and ministry on our behalf. David Brickner has done a marvelous job of explaining these great spiritual truths to us in his book, Christ in the Feast of Tabernacles. It is a must reading for every serious student of the Word of God.-Dr. Lon Solomon, Senior Pastor, McLean Bible Church, McLean, VA. If you find boring and meaningless that long discussion of an ancient Jewish festival, here's a book that will change your mind while it blesses your heart. You may not agree with all the details of Brickner's typology, but you will appreciate, as I did, the spiritual insights he draws

from this ancient Jewish festival.-Vernon Grounds, Ph.D., Chancellor, Denver Seminary

He who has not beheld this celebration has never seen joy in his life! • "the Talmud A bicyclist in today's Israel riding with branches sticking out of his backpack . . . giant candelabras in the Temple, lighting up all of Jerusalem in Jesus' time . . . Jesus calling out, I am the Light of the world! . . . Israelites putting up temporary shelters, or booths, as a symbol of the transience of life . . . have all been part of the joyful Feast of Tabernacles, which has been celebrated for thousands of years. Christ in the Feast of Tabernacles will captivate you with its rich imagery of this great festival. From its origins of being celebrated with temporary shelters to modern day observances and even its meaning for heaven, you will be enriched by this fascinating account. It is a joy to commend David Brickner's excellent book on the Festival of Tabernacles in the cycle of the seven holy days described in Leviticus 23. Many will be surprised to learn how significant this Feast was in the life of our Lord and what a major part it plays in God's work of the end times. This book will open up whole new vistas for many readers of the Bible. Dr. Walter C. Kaiser, Jr. President Emeritus, Gordon-Conwell Theological Seminary As Christians, we cannot understand our faith unless we understand the Jewish roots from which it springs. If you find boring and meaningless that long discussion of an ancient Jewish festival, here's a book that will change your mind while it blesses your heart. You may not agree with all the details of Brickner's typology, but you will appreciate, as I did, the spiritual insights he draws from this ancient Jewish festival. Vernon Grounds, Ph.D. Chancellor, Denver Seminary David Brickner has served as Executive Director of Jews for Jesus since 1996. Previously he served as leader of the mobile evangelistic music and drama team, The Liberated Wailing Wall, Director of the Chicago and New York branches, and Minister-at-Large. He is a fifth generation Jewish believer in Jesus. He and his wife, Patti, live in San Francisco and have two children.

This was helpful to me to understand and I believe a great book to be given to a Jewish friend. Not

pushed ,easy read

This is a well written book, that expounds on the traditional and spiritual aspects of the feast. It goes in details about what is mentioned in Leviticus 23, tie that up with the Jewish customs and then clearly explains it in the setting of John's book of Revelation. It is an easy read and very informative for non-Jewish Christians.

once you start reading it you won't be able to put it down. If you have a relationship with Christ, this will draw you even closer to Him! Will be getting the series for sure and share.

Excellent book used as reference for Liberty Uni. classes

It was great in handling all my questions and gave wonderful instructions for celebrating the feast.

A fascinating read, easy too. This book helped me get an "A" in a Bible course.

OkayPages were uncut. cannot read it until i cut all the pages apart

The book gives some good information. I would liked to have had more about Christ and the Feast and not the material at the back of the book on recipes, etc.
