Mountain Lions (Falcon Pocket Guides)

Synopsis

Mountain Lions presents readers with substantive yet easily digestible information on these mysterious big cats. Where do mountain lions live? What enemies do they have? How do they communicate? What issues exist in the sometimes controversial relationship between mountain lions and humans? This book contains all the information you need to know to become familiar with these fascinating animals. Accompanied by numerous full-color photos of mountain lions in their habitat, this handy field guide makes an excellent take-home souvenir and reference for anybody interested in these big cats.

Customer Reviews

Jack Ballard is an award-winning outdoor writer and photographer. In the past ten years his articles and/or photos have appeared in over 25 different regional and national magazines, including: Paddler Magazine, Montana Magazine, WildBird Magazine, Colorado Outdoors, Birds & Blooms, and others. Currently he lives in Red Lodge, Montana.

A ebook of about 80 pages. It covers most of what you are likely to want to know if you are a casual reader wanting an update on Mountain Lions. The text is wide ranging. There are a number of good colour photos. I found it an enjoyable read. Now I need a similar book on Jaguars.

Good reference

This is a cool pocket guide. It contains a lot of useful and interesting information about mountain lions. I recommend it to anyone who is interested in these big cats.

This is a well written, logically organized and informative fast read with very limited scientific jargon. A good primer for the casually interested.

short, sweet, well written. Basic info. Recommend.

Purrrfect gift for Puma lovers!
