And The Bride Wore White Companion Guide: Seven Secrets To Sexual Purity

Synopsis

Abstinence isn't about not having sex—it's about waiting to have it right. The pressure to conform to the sexual norms of our culture and to forgo God's plan for purity—His best for you—can be overwhelming. Whether you're committed to abstinence, just hanging in there, or you've already gone too far, you're not alone. This journal, a companion guide to be used as you read the bestselling *And the Bride Wore White*, provides fun and thought-provoking activities that will help you learn how to: Embrace God's grace to live a life of purity Commit to keep God first and stay off the boy-crazy train Determine to save sex for marriage Begin the process of healing if sexual sin has broken your heart So what do you really think about sex? And, more importantly, what does God think? Use this companion guide in your own study, with a small group, or even in a lively overnight retreat. Videos and a leader's guide are available online.

Customer Reviews

One of the biggest concerns our readers face is how to talk to their daughters about sex and sexuality. I send them to Dannah's book without hesitation. She's the wise big sister so many of these girls long to hear from. Her warmth, compassion, and vulnerability make her words matter for young women trying to live pure lives in an impure world.—Carla Barnhill, Editor, *Christian Parenting Today* Human sexuality is at the center of most of the bitter cultural struggles being waged in our day. Far too many young women don't know right from wrong when it comes to their bodies and their minds because they have bought into the low moral standards promoted on television and in contemporary movies and music. In a friendly, personal manner, Dannah Gresh helps her

readers understand that sexuality is a beautiful gift from God and that He intends it to be reserved for marriage.Â I highly recommend *And the Bride Wore White* to any young woman who wants God's best for her life.-Richard Land, President, Ethics & Religious Liberty Commission, Host, For Faith & Family Radio
Dannah has a fresh way of sharing important truths we need to hear.Â In an age of moral decline even among our church youth, this message is needed now more than ever.Â Give Dannah your ear.Â You won't be disappointed.-Anita Lustrea, Host/Producer, Midday Connection
As a mother of two teenage daughters, I cannot think of any book more beautifully inspiring than *And the Bride Wore White*.Â My daughters loved Dannah's insights, her humor, and her call for a life without regrets.Â I am deeply grateful for the realistic role model she is for my daughters...She has changed their lives, and in doing so she has changed mine.- Tammy Maltby, Author and Co-host of Emmy-nominated *Aspiring Women*

Abstinence isn't about not having sex; it's about waiting to have it right. The pressure to conform to the sexual norms of our culture and to forgo God's plan for purity can be overwhelming. Excellent book!! Great read for any teenage girl or adult woman! Really helps you understand purity in the light of the gospel! I wasn't pure when I got married but am raising 3 girls and want to help them to stay pure. This book is helping me heal from my past and hopefully will be a good tool for my girls.

This is a great book that I am using in counseling with a young lady. It is the third young lady I have used it with and it seems it strikes a chord with young ladies from all different backgrounds.

Perfect gift for a young lady turning 16 years old.

Very inspiring story of a woman who chooses to love God and is blessed abundantly because of it ;) Definitely a book for young ladies and their moms to read together :)

Recommend this book if you have a daughter. I read it and when my daughter is older I will read it with her.

I bought this book to "skim" for information that I could use for my junior high youth group girls. I couldn't stop reading! I stayed up late to read to the very last page. The nonfiction text is full of true accounts from all kinds of girls and women and that kept the pace of the book very readable. While some nonfiction can get bogged down in details and over-explaining, Dannah Gresh is a gifted storyteller and uses beautiful language with a gentle, encouraging style. I found this book extremely helpful for use in our church's junior high youth group. Since that time, the author has put together a leader's guide, but I made my own lesson plans based on the book and it was a wonderful experience! I did find, though, that the junior high girls didn't read it as voraciously as I had. Their older, high school sisters loved it, so I'd say the reading level is 9th or 10th grade. I highly recommend this book!

top notch

This is instrumental in helping our young women today. I hope to make an impact with it on a hurting young woman.
