This book-Irritable Bowel Syndrome by K.M. Kassi is a very informative book and it is really helpful. At first this book provides information on Irritable Bowel Syndrome and the diagnostic procedure to determine it. If any one has the symptoms mentioned in this book you have to check on laboratory tests definitely and take medicine. Normally medicine treats the illness but it gives adverse effects as well. Here a natural and herbal approach is provided as the remedy and their benefits are emphasized under each and every title. This book provides natural remedies for this by changing food items and diets. Steps to manage stress and exercising is also recommended here in this

book. Herbal remedies and alternative therapies are also discussed as remedies here. This book will provide you the necessary steps to live a fulfilled life even with IBS. The author has done a great research on the subject and his knowledge is clearly displayed through out this book. Highly recommended.

There is terrific information in this book! Whether you have mild or severe ibs learn how to minimize symptoms without taking harmful medicines. I am always looking for more natural ways to fight ailments and this book is awesome! Using food and herbal techniques you will find this book very interesting and very helpful!

I believe it would help an ibs sufferer. Worth reading. Short, fast to the point. Takes less than an hour.

very useful book for introduction to IBS. love that it starts with natural alternatives; always important to try first, thanks for book

Had some very helpful material.

Not a lot of information for the price. Disappointed.
