WOW! If you have a fantasy of being born an Italian aristocrat, this is the book. These exteriors and interiors are authentic houses lived in for centuries. Of course they have been updated since the 1700's but always with an eye for keeping the grandeur intact. I am an interior designer and I love looking at authentic interiors. The antidote to Tuscan style farmhouses. Gorgeous photography and layouts.

Absolutely fabulous!!! Beautiful from the first page on!!!

I have a very large design library. This is one of the most beautiful examples of interior photography I have ever seen. I highly recommend both this book and Volume I of this series.

Beautiful book!

Cannot put it down.

Beautiful book for art lovers
