Great Pacific Maps Principal David Peckarsky has been researching and publishing maps since 1978. A native of Milwaukee, WI, Peckarsky earned a BS in Architecture & Urban Planning at the U of Wisconsin Milwaukee (UWM) in 1974 and a Masters in Environmental Studies degree from York University in Toronto, Ontario, Canada in 1977. Based in the Seattle area since 1978, Great Pacific Maps reflect the imagination, hard work and dedication of collaborating with two close friends over a 30+ year period: Wayne Hom of Seattle and Bob Lindquist of Bellingham, WA. Sadly, both have passed on; may their memories always be for a blessing. Today, Great Pacific cartography is most ably done by Sharon Iwai of San Francisco and Robert Kemp of Joseph, OR. Cover designs and some cartography are done by Dennis McClendon of Chicago CartoGraphics (in Chicago, of course!). Your business and your feedback is always appreciated! E-mail us if you find an error or omission; we will verify it and mail you a free Great Pacific map of your choice. We appreciate your

We are planning a road trip to the San Juan Islands this summer, so this map is an essential. I was pleased that it is laminated and easy to read (and easy to fold up again!). Can't wait to use it!

Great detailed map- really helped on our recent trip to Orcas Island and Friday Harbor

The map is nicely detailed. We used it this month on a trip to the San Juan Islands. My only complaint is it tears at the creases very easily. I will have to tape it to keep it going for another trip.

Perfect resource for our trip. We had never been to the area before and it was just what we needed.

A good, study map with lots of good information. Great price!
