Oktoberfest Munich: The Ultimate Guide To The Biggest Folk Festival In The World

Synopsis

Hands-on advice for your Oktoberfest trip. How to get there, where to stay, what to drink, what to wear, and much more! We know how difficult it is to plan your trip to Oktoberfest - especially when you're from abroad. So we compiled all the essential information in a handy guidebook, which has been an overwhelming success in 2014 (again!), and we've updated the information for 2015. We cover everything from basics and beers to dresses and songs, how to get there, where to stay, and so on. Our readers tell us that it's a perfect companion for anyone coming to Munich to attend the biggest folk festival in the world. After all, the Oktoberfest is a lot of fun, but it will be even more fun once you actually know how to deal with those two weeks of utter madness.

About the Author: Felix Haas has been living in Munich my entire life, and he remembers his first visit to the Oktoberfest very well - he was not used to the stronger Oktoberfest beers, and had way too much beer. It was a night filled with song, good jokes, laughter, very pretty women, and dear friends. A night he will never forget. He was hooked. Every year he meets people from abroad who are completely overwhelmed by the size of the fest, telling him that they had not expected any of this. So he decided to write up all the tips and tricks to give readers from across the world a starting point for planning their trip and ultimately to help them have the time of their lives at the Oktoberfest. "I'm sure you're going to love it"
