Ronda Rousey: The Biography

Synopsis

Ronda Rousey is an Olympic bronze medalist, UFC champion, and world's largest female pay-per-view draw... But it wasn't always that way. Once a shy, frustrated child, an outcast in school, & an unwelcome competitor in a male-dominated sport, walk along with Rousey as she pulls herself up from an unthinkable tragedy to become the UFC's first female fighter & one of the greatest female athletes of our time. "I've been through so much that there isn't much left that can scare me. I've felt the most pain that I could ever feel, and I've felt the most pressure that I could feel and there's nothing else left. And I believe that I'm capable of doing anything." - Ronda Rousey

Customer Reviews

As a martial artist for many years I appreciate good martial arts. I especially appreciate Rhonda Rousey, who in my opinion is the most technical fighter in any division-man or woman-in the UFC. She is so good in fact that that I believe she could compete in the mens division with astounding success. Against women fighters it is absolutely no contest when she gets into the ring with them. This is proven again and again by the incredible quick victories she scores against all women competitors of all ranks. On another matter Rhonda is better looking than any miss America I ever saw. She is simply stunning. Because of these reasons I highly recommend this book to find out the background of this special person.

Very quick read, but still interesting. I would recommend buying the kindle version. I enjoyed learning more about Ronda, but there is not a lot of meat here...more like an overview. IIIIIII

Although this was quite short, it led you to want to continue learning more. The biography is informative and covers much of her early years of competition and her life as she started out

I'm new to this sport, but Ronda seemed like a passionate person so I gave it a go. Glad I did. This book is a bit shorter than I like, but does the author ever make it fascinating! FIVE STARS!

Amazing book !

Great insight into Rondas life whether you like ufc or not this is a good read .

A good biography; I read Ronda's autobiography and I also enjoyed this book.

very detailed, and I liked the way the book was set up. it covered EVERYTHING i needed, so kudos to you!
