Flashlightâ€”check! Tentâ€”check! Blanketsâ€”check! Biscuit is ready to go camping!

Alyssa Satin Capucilli is the author of the first story about Tulip and Rex, Tulip Loves Rex, as well as the bestselling Biscuit books and many other beloved children's books. She lives in a book-filled home in Hastings-on-Hudson, New York. Pat Schories's engaging illustrations of the puppy Biscuit are modeled on her own dog. In addition to having illustrated all the Biscuit books, she is also the artist and author of He's Your Dog and Mouse Around. Ms. Schories lives in Cold Spring, NY.

My son is a reluctant early reader, and the Biscuit books are some of the few easy readers we have found that don't frustrate him. The vocabulary is easy, unlike many other children's books (surprisingly!) and words are repeated frequently so he can really learn them. Highly recommend the whole series, but I give it four stars because having the Kindle version be more expensive than the paperback is simply a rip-off, sorry. At the same price (\$2.75) I would have bought the whole series on Kindle, but at 5 bucks a pop, no thanks!

Bought this as a birthday present for my 3 year old Friend. She loved it and according to her mother wants it read to her all the time!

My 5 year old loves Biscuit. We enjoyed reading about his camping adventure. Biscuit books are great early readers with large print and many easy words. The pictures help with emerging readers that are starting off with picture walks.

Good book for little readers, though my kids didn't want to read it more than twice (over the span of two months).

My kids love it! The illustrations are cute, as always, and the words are just easy and repetitive enough to encourage young readers to look at the words and try to read along - rather than just memorizing the story, which is what happens a lot in my house. Great subject matter too - what kid doesn't love camping and puppies?

Very cute book. It was nice to find an inexpensive camping related book.

Similar to other Biscuit books. Good for emergent readers.

Such a sweet and gentle book for our daughter who is a struggling reader. I remember reading the Biscuit books with our older daughter who are now 20 and 18. Biscuit is a classic and loved by our family.
