# Speak English Around Town

## Synopsis

Learn the right way to say what you mean in dozens of daily situations. You already speak English. With Speak English Around Town, you'll learn to speak it better...and to express yourself more like a native speaker of English. Through lively and realistic dialogues, Speak English Around Town teaches the expressions you need for everyday life. You will use these expressions when shopping, dining out, socializing with American friends, traveling around the USA, and during dozens of other daily activities. This audio content is designed to supplement the Kindle ebook Speak English Around Town. It is not designed as standalone language learning material.

## Customer Reviews

Speaking a language without using idioms and expressions is neither expressive nor full in meaning. Amy does a great job writing this book because it teaches us the idioms we need for daily life situations. Each lesson presents good stories and the associated idioms and expressions that go with them. Language lens is a grammar refresher and expression practice followed by quizzes all do a good job to practice what we learned. The audio CD that comes with the book helps the reader with the pronunciation and it can be played over and over again at reader's convenience.

"It's the best book for improving your everyday conversation. It's easy way for improving your American vocabulary. The Author 'Amy Gillett' has done a fantastic job for creating this valuable book for all those who want to improve their everyday conversations but in American way."

A very good book for a person whose English is a second language like me. I have learned a lot of meaning of english phrases in this book which I didn't know before. I thought I improved a lot and I am thankful that I bought this book. I highly recommend this book. As a matter of fact, I bought another one of Miss Amy Gillet's book.ESL student.

This is a well-thought out book. I love her teaching method. The little stories very helpful to learn the idioms.

From this book you can learn a lot of most used phrases or idioms. Good organization and good explanation. There is also the app version. So if you have iPad you can consider buying this app which has the same content. Highly recommend it!

I like that the "quizzes" follow each lesson. Good for new learners

It's amazing Journey through american english
