The Book Of Liz - Acting Edition

Synopsis

Sister Elizabeth Donderstock is Squeamish, has been her whole life. She makes cheese balls (traditional and smoky) that sustain the existence of her entire religious community, Clusterhaven. However, she feels unappreciated among her Squeamish brethren, and she decides to try her luck in the outside world. Along the way, she meets a Cockney-speaking Ukrainian immigrant couple who find her a job waiting tables at Plymouth Crock, a family restaurant run almost entirely by recovering alcoholics. The alcoholics love her. The customers love her. Her Danderfrock fits right in.

Sister Elizabeth Donderstock is Squeamish, has been her whole life. She makes cheese balls (traditional and smoky) that sustain the existence of her entire religious community, Clusterhaven. However, she feels unappreciated among her Squeamish brethren, and she decides to try her luck in the outside world. Along the way, she meets a Cockney-speaking Ukrainian immigrant couple who find her a job waiting tables at Plymouth Crock, a family restaurant run almost entirely by recovering alcoholics. The alcoholics love her. The customers love her. Her Danderfrock fits right in.

Saw this as a staged reading, had to buy the play. Great work.

Great play! Very funny and clever. I really enjoyed reading it.

This was good. I like it more and more as I remember it.

Sister Elizabeth Donderdock is unappreciated in her Squeamish township. (So as not to offend the Amish, the Sedarises replaced the "A" with "Squea". I'm sure no one suspects.) She is the only person who has the secret touch it takes to make the famous Squeamish cheese balls, but the town doesn't realize how important she is until she disappears. Although not David's best work, this play is a lot of fun to read and features a lot of good-natured silliness. On the otherhand, it appears difficult to stage. Make sure you have four good actors who can play male and female roles, Amish as well as alcoholic and can speak Ukranian.

Funny

As with some of the other reviewers here, I pre-ordered "The Book of Liz" long before its publication, and I was somewhat surprised to see how short it is (although at that price, I shouldn't have been surprised). However, after reading the play I was ultimately satisfied with my purchase. "The Book of Liz" chronicles a very sweaty and naive Squeamish Sister (an obvious play on the Amish) who decides to leave her job making cheeseballs and venture out into the real world. No, I'm not kidding! The plot is as bizarre as you'd expect from the Sedaris siblings. It should be noted that the play lists Amy Sedaris as the first author, and it definitely reflects her humor more than David's humor. It's kind of a tame variation of her show, "Strangers With Candy." "The Book of Liz" is different and fun, and it gave me a few chuckles. Not bad for such a short and inexpensive tome.

The delivery was quick. This was something my daughter had on her Christmas list. She was very happy I was able to get it and read it the next day. Thank You!

Another Sedaris chuckle fest. This short script is a view into his twisted mind.
