Hebrew Bible-FL (Hebrew Edition)

Synopsis

Biblia Hebraica Stuttgartensia (BHS) is known to be the definitive edition of the Hebrew Bible. It is widely regarded as a reliable edition of the Hebrew and Aramaic scriptures and is the most widely used original-language edition among scholars. It is a revision of the third edition of the Biblia Hebraica edited by Rudolf Kittel, the first Bible to be based on the Leningrad Codex. The Leningrad Codex is the oldest complete Hebrew Bible still preserved. It originally appeared in installments, from 1968 to 1976, with the first one-volume edition in 1977; it has since been reprinted many times. The text is a nearly exact copy of the Masoretic Text as recorded in the Leningrad Codex. The Masoretic notes are completely revised. Included is a foreword in German, English, French, Spanish and Latin as well as an English and German key to the Latin words, abbreviations and other symbols in the critical apparatus. Biblia Hebraica Stuttgartensia (BHS) Paperback Edition offers the student a more affordable way to study Biblical Hebrew while maintaining all of the features available in the standard and compact editions.

Book Information

Paperback: 1646 pages

Customer Reviews

This is one book where it would be inappropriate to say "it's all Greek to me". That's because it is in Hebrew. It was really useful for studying with and the footnotes are helpful if you also speak other languages as well like Latin or German. Really solid Hebrew Bible that will suit all of your academic or personal needs.

Worked for what I needed it for in my Hebrew class!

Get one it's grrreat for the soul. Nice investment yields great returns.

Just started a class

Great Book for my prophets Class. Fast shipping and easy to work with.

An inexpensive, paper back copy of the Hebrew Bible, in Hebrew, of course. Based on the Leningrad Codex, it is the standard text for many Hebrew language classes.

excelent

It will take a while until you are able to read it, but if you want to learn BH you got to have it
