Shipping Weight: 7.8 ounces

Average Customer Review: 4.0 out of 5 stars 4 customer reviews

Best Sellers Rank: #4,368,164 in Books (See Top 100 in Books) #90 in [Books > Travel > Europe > Malta](#) #4172 in [Books > Travel > Asia > General](#) #5032 in [Books > Travel > Europe > Italy > General](#)

Customer Reviews

I moved to Malta permanently because I found the people to be very helpful and no crime or property taxes. This book helped me find my way around; especially the sister island called Gozo. Bread, bottled drinking water and bottled propane is still delivered to your door. Oh, and the doctors still make house-calls.

This version is the 1st edition from 2000 so much is out of date. My fault for not paying attention when i ordered it. Have since purchased 2013 version

I spent eight months in Malta, and ended up using this book in tandem with the Rough Guide version. Like all guide books, neither is 100% accurate, and that's life. Rough Guide is better for history, culture, art, etc. There will be much more info on any given sight there, but Lonely Planet has the practicalities a little more fleshed out. And as usual, the maps are slightly better. Depends on what you're looking for, really.

This is an excellent book...however there are a few places he missed. The pub in Mellieha that has

FANtastic ribs and steak, and the excellent French restaurant in Marsaskala. (The waiter here knows so much about the fresh fish you'd swear he'd caught them himself!) If you're a scuba diver, Dive Med in Marsaskala gave us the BEST service!
