Reki Kawahara is an award winning author best known for his light novel series, Sword Art Online and Accel World.

I can't get enough!!

i love the sword art online novels but for this book like its title it skips between "The fake death in safe-zone" "Finding Excalibur in the icy pyramid"and a new story called ("The day of beginnings" NOT shown in the anime).as for this book i say the anime was better. only part that was worth it was the new story." that is why i vote 3 stars.

son will love it
