## Customer Reviews

David Petersen is the author of several nonfiction books for children. --This text refers to an out of print or unavailable edition of this title.

We are making the family road trip next summer and this book is a perfect and durable introduction of where we are going to are four year old. he loves volcanoes and this book provides a good overview of the park. It is a great learning tool, and its nice to look at. It will must asuredly will be on our coffee table until we go and probably afterward so our son can play tour guide to regale guests about our trip.
