Children's Book:FORGIVE ME PLEASE- Teach Your Kids The Importance Of Forgiveness: (Illustrated Picture Book)(Bedtime Story)(Social Skills)Values,Emotions And Feelings (Greedy Jack)

Synopsis

TEACH YOUR CHILD THE VALUE OF FORGIVENESS After Ken is hurt by his friend Jack, he is now faced with two choices: to forgive or not to forgive. *Forgive Me Please* a children's book that is also great for adults, takes children and parents through the ups and downs of two boys ended because Jack's wrongdoing. Kindle Unlimited and Prime members can read this book for FREE! This wonderful children's book teaches your kid 1. the important value of forgiveness. 2. the danger of staying angry 3. the importance of making good choices and having good friendships. Children struggle with the pain of betrayal, bullying, lies, loss of a friendships and other difficult issues and very often resort to anger for protection. If children can learn forgiveness at a young age, they will be more likely to live a life full of healthy relationships. Learning to forgive is an ongoing lesson for children and adults, families and friends. Teaching children in preschool, kindergarten and all ages that forgiveness is important will set them on the right path. Forgiveness is an action not a feeling and it is something that children and adults will do more than once in our lifetime. We will have to forgive big offences and small offences, family, strangers and friends. Children need to learn how to handle their emotions and feelings and the consequences of choosing not to forgive someone. Parents can teach them about the damage their unforgiveness can do, not only to their relationship with their friends and peers, but also to themselves and family. As we hold on to anger and hurt, those heavy emotions and feelings make it difficult for us to live healthy and happy lives. As parents we have the unique opportunity to lead by example and be able to teach our children that not forgiving others is bad for them. Show your children how wonderful forgiving another can be through your example. Show your children how when you forgive, it can mend hurts and heal relationships. The children's book *Forgive Me Please* is a great way to help parents and children talk about the value and virtue of forgiveness and the damage that anger can cause. The short story may be read to your kids at bedtime or enjoyed by the whole family. It can be read to children in kindergarten and preschoolers or self-read by older children. Customer Reviews

Poor product because only the first and last pages downloaded and I was unable to contact any customer service to get the problem solved.

The book goes from page 1 to 18.. it is missing all of the content!

I am crying right now because the book is sad I am not happy todayso I am very sad

Love this book. It is teaching us to forgive those who hurt you. Think it is a great book to read and the children will love it.

I just read this book and I really enjoyed it. Would recommend it to anyone.

forgive is a continuation of greedy jack i love the way it illustrates the act of forgiveness.

Part 2 to Greedy Jack and again another vital lesson....loving these books and the messages

Keep up the good work. It is difficult to forgive but it is what is required
