Cherringham - A Cosy Crime Series Compilation (Cherringham 7 - 9)

Synopsis

Jack's a retired ex-cop from New York, seeking the simple life in Cherringham. Sarah's a Web designer who's moved back to the village find herself. But their lives are anything but quiet as the two team up to solve Cherringham's criminal mysteries. This compilation contains episodes 7 - 9: THE BODY IN THE LAKE, SNOWBLIND and PLAYING DEAD. Here Jack and Sarah are called to task when the body of a dignitary turns up in a lake - with all too many suspects involved. A resident of the retirement home falls victim to the elements in one of Cherringham's worst blizzard in years - but was there something sinister at work here? And Cherringham Christmas show rehearsals spin into chaos as someone is out to sabotage the event with deadly repercussions. Cherringham is a serial novel à la Charles Dickens, with a new mystery thriller released each month. Set in the sleepy English village of Cherringham, the detective series brings together an unlikely sleuthing duo: English web designer Sarah and American ex-cop Jack. Thrilling and deadly - but with a spot of tea - it's like Rosamunde Pilcher meets Inspector Barnaby. Each of the self-contained episodes is a quick read for the morning commute, while waiting for the doctor, or when curling up with a hot cuppa. For fans of Agatha Christie's "Miss Marple series", Lilian Jackson Braun's "The Cat Who series", Caroline Graham's "Midsomer Murders", and the American TV series "Murder She Wrote", starring Angela Lansbury. Co-authors Neil Richards (based in the UK) and Matthew Costello (based in the US), have been writing together since the mid 90's, creating content and working on projects for the BBC, Disney Channel, Sony, ABC, Eidos, and Nintendo to name but a few. Their transatlantic collaboration has underpinned scores of TV drama scripts, computer games, radio shows, and - most recently - the successful crime fiction series Cherringham.

Customer Reviews

The Cherringham mysteries are a satisfying confection for mystery lovers. Buy the audio books and enjoy the tales even more with narration enthrallingly read by Midsomer Murders actor Neil Dudgeon. A satisfying escape. A-a-ah!

Overall a 5 star series of books. The writing is tight, without repetition, the characters are interesting & I like them & the situations are unique & not all murders. I appreciate the fact that they don't kill off everyone in the village one by one, the cops aren't always being represented as stupid idiots, the folks solving the mysteries are everyday folks, one with a little experience & our investigators aren't suspected of every crime. It's a refreshing take.

I love these short crime-solving stories set in the Cotswolds. Am currently reading the fourth one and have ordered the fifth. Sarah and Jack are a great team and the supporting characters are well done. Highly recommended to anyone who likes well thought out mysteries with interesting and complex characters.

I love the characters in these books and have read all the compilations so now I'm waiting for the next group when he gets back from the US. I certainly hope he will be back for another series. I like the setting of the stories and feel like I know all the village people .everyone seems so real. I can't wait to read more. So come on get the thinking caps on, I'm waiting and not too patiently.

I absolutely love this series. I love the characters and the fact that the series is based in one little village really helps you believe the stories. Very well written! I sure hope Sarah and Jack get together as more than friends someday though ã Â Â^Â%.

Great book, love Sister Fidelma. Reading them all in chronological order, it's great to "grow" with her and her companion.

Cherringham - Episode 7 - 9: A Cosy Crime continues this satisfying saga.

fun light reading with enough plot to keep it interesting. Great for the pool, sun or just a quiet afternoon of reading.
