Gr 1 \tilde{A} ¢ $\hat{a} \neg \hat{a}$ œ4 \tilde{A} ¢ $\hat{a} \neg \hat{a}$ •Part canine, part human, Dog Man is a crime-fighting sensation. He fights crime, sniffs out wrongdoing, and battles his doglike tendencies. His nemesis is Petey, a cat who cooks up devilish plans in his secret lab. The pages are filled with bold lines and colorful artwork that has a childlike feel and will delight readers. In an author's note, Pilkey explains that Dog Man is based on a character he created back in second grade, when he longed for silly books, and states that he hopes his title will help children associate reading with fun and even inspire some to craft their own stories. The text contains intentional grammatical errors, so readers should be prepared for misspellings. Panels that feature instructions on how to draw will motivate budding artists.

VERDICT A riotously funny and original addition for all elementary school collections. \tilde{A} ¢ \hat{a} $\neg \hat{a}$ •Lisa Gieskes, Richland County Public Library, Columbia, SC

My son loves this Author. This is a funny comic strip type of book and has some flip-o-ramas that my son (10) likes to do. He is at the age where some things he finds to kid-ish but he still loves all the series by this Author. Also has some pages where it teaches you to draw a couple different characters step-by-step. So, pretty cool book overall.Hardback, and lots of vibrant colored pictures from front to back of this book! Attached pictures My son can't wait till part 2 comes out! :)

It is the best book ever in the world.Dog man is awesome. Ten fingers up! I like it a lot!

My 10 year old is a big fan of the "comic" style books. He is in 3rd grade. I got him this book simply because of the style--he is breezing through this book and he is really enjoying it! Now let me explain, my son HATES reading! He struggles with it---but this is a book that he actually looks forward to reading! I hope to be able to find more of this line for him! The illustrations are done very well!*** My opinions are my own and we're not influenced by the seller in anyway. My son read this in about two hours - he couldn't put it down - so nice to see him stuck in a book. Looking forward to more in the series!

My grandson loved this book. It has some potty humor in it, but 8 yr old boys think it's funny. I wasn't thrilled but he was eager to read it.

This book doesn't disappoint. Another amazing story, great illustrations, and humor. My kids both loved this book and have each read it numerous times. It's one of those books you get reread, diving into any page and loving ever minute of it. Highly recommended.

My son loves it and reads it over and over. He can't wait for more to come out!

My Granson is a huge Captain Underpants fan, so when I saw this new series Dog Man, I had to get it for him for Christmas. We went to stay with him for a week and he read it three times while we were there, once to me and Grandpa. We're happy to see that he enjoys reading so much. We liked it too!
