The Land Of Stories: An Author's Odyssey

Synopsis

The fifth book in Chris Colfer's #1 New York Times bestselling series *The Land of Stories*! The Masked Man has captured all the royal families from the Land of Stories with the help of his army of literature's greatest villains, including the Wicked Witch of the West, the Queen of Hearts, and Captain Hook. With his sinister plan finally in motion, he is eager to destroy the families and take his place as emperor. Alex and Conner know they are no match against the Masked Man's legion of villains, but they realize that they may be in possession of the greatest weapon of all: their own imaginations! So begins the twins' journey into Conner's very own stories to gather an army of pirates, cyborgs, superheroes, and mummies as they band together for the ultimate fight against the Masked Man. Meanwhile, an even more dangerous plan is brewing--one that could change the fates of both the fairy-tale world and the Otherworld forever. Conner's tales come alive in the thrilling fifth adventure in the #1 New York Times bestselling *Land of Stories* series.

I didn't expect to love this series as much as I did, but the latest book delivers on the promise of the ones before. I originally picked up the first book for my son to try at the library, and all the kids got hooked. We've listened to it on audiobook and enjoyed it so much we all needed to reread the entire series. Can't wait for the next installment!

This book was amazing. One of the best in the series. It's full of details, suspense, and it makes you want to read even more. These characters are very imaginative and created to be loved and sometimes hated. One of the best books I've ever read. It's

AWESOME! I love it so much I've read it over and over again. It's a masterpiece. I highly recommend it to everyone. It's a must-read for anyone who loves fantasy and adventure. I can't wait for the next book in the series. It's going to be amazing!

I ordered this book for my God daughter for Christmas because she had already read the first four books in the series and she absolutely loved it.

Land of stories is my daughter's favorite book series. She is done reading 3 books and now is reading #4. Santa just got her this one - #5 :)Biggest advantage on these books being so thick - she can just take one book on longer vacations and always have what to read!

My 10 year old granddaughter has been reading this series like wildfire. She can't put them down. I lucked out with a great salesperson at Barnes and Noble and bought the first one. Then all the others from . My granddaughter is SO SAD that this is the last one.

My 11-year-old daughter loves this series so much that she's been buying the books with her OWN money.

Delivered just as the other land of story books in the series. Just as exciting and couldn't put it down.

My 10 year old daughter loves this series! She would highly recommend it.
