Syndicate Wars: False Dawn (Seppukarian Book 4)

Synopsis

"For the Female of the Species is far more deadly than the male." Rudyard Kipling, said of female lions. After returning from a mission to salvage a time capsule, Quinn and the Space Marines face imprisonment at the hands of a rogue faction of the resistance, and Samantha is taken during her attempts to use her otherworldly abilities to save them. It's a race against time as Quinn struggles to find a way out of the silo and run a gauntlet through the badlands of Wyoming, where she confronts bands of armed scavengers and resistance fighters who will do anything to stop her from saving her daughter. Will mother and daughter pull through and escape to bring the war to the Syndicate, or will internal conflict signal the end of the fight to save humanity?

Customer Reviews

But Quinn is a Mother Marine and they have taken her child...So that happened...The marines, now joined by some of the resistance come back from their mission to find themselves betrayed and

locked up, Sam is held hostage by a few rebels who have turned against the resistance leader and have plans of their own and are using Sam for their own schemes. Sam has other plans and is coming into her own with her "powers". The aliens led by the human traitor general have flooded large areas to build islands of bases and Quinn is headed right at them. It isn't going to end well...jump in and enjoy the ride.

Syndicate Wars: False Dawn is the action packed fourth book in the Syndicate Wars series. This book is practically begging for Michael Bay to adapt it into a movie with its explosions and constant action (just please don't mess up the awesome plot). There isn't a break anywhere in the story including the cliffhanger ending that'll leave you anxious for book 5. I received an ARC copy of this book. This is my honest and voluntary review.

I could not put this book down. A twist I never saw coming, a comeuppance well deserved and non-stop action! If I could give more than 5 stars I would! Excellent job gentlemen.
