Australian art quilter Boggon presents a contemporary take on crazy quilting, highlighting design principles that emphasize both the embellishments and the fabrics as well as tips and techniques for creating art quilts that will stand the test of time. A variety of fabrics can be incorporated, including lavish brocades, rich velvets, and reclaimed or recycled textiles. Boggon walks quilters through the techniques for piecing differing fabrics; embellishing seams; and adding ribbons, lace, buttons, and beads. A stitch dictionary features embroidery stitches that can be used for embellishment as well as directions for marking the piece for stitching using a plastic canvas as a guide. VERDICT Quilters interested in learning how to design and stitch original quilts will find a bounty of information in this guide. (Library Journal, August 2017)

Sharon Boggon trained in fine arts and developed great skill in contemporary embroidery and crazy

quilting. She teaches internationally and online and has also lectured on textiles at the Canberra School of Art. Sharon lives in Canberra, Australia.
