Outlaws Of Time #2: The Song Of Glory And Ghost

Synopsis

From the bestselling author of *100 Cupboards* comes the second book in a one-of-a-kind middle grade time travel series that is perfect for fans of Soman Chainani's *School for Good and Evil* books. Sam Miracle never thought that his future could lie in the past. But after leaping through centuries at the side of a mystical time walker, Sam and his best friend, Glory, know that the next morning's sun could belong to yesterday as easily as tomorrow. But no day is safe. Since the Vulture escaped, Sam and Glory's greatest nemesis has left no time nor place unmarked by his path of destruction. At least Sam and Glory have Peter, the youngest version of their mentor, Father Tiempo, to help repair the sands of time... until they don't. Determined to save their friend from the Vulture's clutches, Sam and Glory put their trust in Ghost, a creature from before time itself. But now, the sidekick must fill the legend's shoes, the hero must play backup, and the powers they have yet to discover might just hold the key to protecting every last second for eons to come.

Sam Miracle never thought that his future could lie in the past. But after leaping through centuries at the side of a mystical time walker, Sam and his best friend, Glory, know that the next morning's sun could belong to yesterday as easily as tomorrow. GREAT sequel!!! A page turner. ND Wilson writes amazing stories. I've read his others works and was not disappointed in this new series. Characters were well developed, story wove in an intricate and compelling way and there was not a dull moment.

Great twists, exciting plot, and an old western feel for modern tastes!(Review by a ten-year-old reader.)

In *Outlaws of Time #2*, N.D. Wilson has once again written a riveting story for a wide range of ages. Both my son (11) and I (37) enjoyed the book immensely. N.D. Wilson has become one of my favorite fiction authors over the last couple of years.

My children really enjoy ND Wilson and all his books. I have 9-12 year olds that have read it and the younger one found some parts to be a little scary - the 11 and 12 year old thought it was "thrilling and exciting"

A great sequel. I enjoyed the story, the twist and turns, and I love that it still had the Western feel of the first book.

I just finished reading this. After starting it this afternoon. A fantastic story - exciting and surprising and overall just so very refreshingly different. Good thing I ordered the sequel in the same shipment. I highly recommend you do the same.

I can't recommend these books enough.

This second installment in the Outlaws of Time series is just as fun as the first, but maybe even more epic. Wilson is one of the most imaginative writers out there.
