Hello! My name is Alexis Dingeldein, and I'm a teenage author. I've been writing for as long as I can remember, and noveling is my passion. As a teen, I look around at the entertainment we're fed and desire something more wholesome. This is why I write my own books: novels that have humor, romance, and morals. My hope is that my writing will impact you.

The following review is actually by Anna, age 12! I love this book! I think Anthony is very relatable to a lot of foster children. My favorite character would have to be Erin. She is so fun, lovable, and silly. This book is definitely a must-read!
