Customer Reviews

We travel a lot around the world and are very knowledgeable about travel so we can ho early say that this small book packs a great deal of Information without a lot of fluff to sift through. learned how to find lower priced airlines which I am sure I will use in the future. Worth every Penney and cheaper than hiring a guide.

Poorly written and very little information.

Very informative and helpful! This book is a great one to look at if you are interested in going to Budapest at any point, or even if you are just interested in learning a bit about the area and places to go there. Definitely would recommend.

Some good info, but not really great.
