Miracles, Angels & Afterlife: Signposts To Heaven

Synopsis

A compelling account of years of spiritual investigations from the director of *Life After Life*, the award-winning documentary on near-death experiences. The stories of divine intervention in people's everyday lives continued to occupy Peter Shockey's thoughts even after his documentaries on the subject for Hallmark Channel and Discovery's TLC had been completed and garnered awards and international acclaim. In *Miracles, Angels & Afterlife*, Shockey shares the most compelling accounts he has gathered during his years of spiritual investigations and offers profound insight into what the increasing presence of the divine in daily life can mean in this, the first generation of the third millennium. Beginning with his own personal story, Shockey goes on to introduce others who relate their miraculous experiences, ranging from visions of heaven to the presence of angels. He then puts these encounters in an enlightening context as he explores striking patterns of divine intervention in human history as well as in the Bible. In doing so, he takes readers on an unforgettable spiritual odyssey that will change the way they look at the here and now . . . and the hereafter.

I really enjoyed this book. Well written in a conversational manner. You won't be disappointed if you get this book.

I liked it.

very good read

Not really what I was looking for

Enjoyed it

As I age, I find myself asking myself more questions about the afterlife and about the unexplained things that happen in this life and the possibility that God has intervened directly in the lives of individuals. This book gave me a tremendous amount to think about, to ponder and to hope upon. And that is what I found in this book, which is easy to read and inspiring, I found hope.

Praise for Miracles, Angels & Afterlife: A beautiful read that will inspire and touch all who read it, and bring them to the realization we are always surrounded by angels. God's unconditional love for each of us is intense, complete, and is reflected in all of Heaven. Before we return to Heaven, our real home, we have an incredible opportunity on Earth to face challenges that will help us learn, grow and to become more Christ-like in the fruits of our spirit. Our time is so short that we need to be about God's business every day. This book was so easy to read and so spiritually uplifting. It is a beautiful story and instills peace in the reader. I have really enjoyed this book. It is a quick read and very inspirational. I particularly appreciated the author's straight forward presentation allowing the story to speak for itself. If you are a person of faith you will be reassured. If you are a skeptic you will be given unemotional straight forward food for thought. This was an inspirational read. I enjoyed this book very much. This was an amazing story. I was given a copy thru NetGalley. [...]
