Chris Malone has had hundreds of designs published in industry magazines and is the author of Hooded Scarves & Gloves; Pot Holders, Pinchers & More; Sew Easy as Pie; and Sew It in Minutes. She lives in Lebanon, Oregon.

These patterns are cute and easy to make doll clothes. It only takes fat quarters. They will make any young lady grateful.

I love this book because it has great instructions and patterns and it had what I was looking for. Well worth the money.

Bought this jewel of a book because I fell in love with the grey coat on the front jacket. I've already

made skirts and blouses to fit a little girl's American Girl doll and am now cutting out the beautiful 18" doll-size coat. It's a fine book with well-drawn full-size patterns that fit well. Just use this book and your imagination for some lovely dolly clothes.

Sew Trendy is an excellent pattern for the American Girl Doll. The patterns fit so well on the actual doll and they are truly fashionable. I have tailored each outfit with a lot of detail, such as lamb's wool for coats and leopard (small scale print). My creative free spirit has run amuck with this pattern book! The pattern book it only limited to the imagination of one who uses it. It is well worth the small investment to see my grand daughters delight. Dream on and create.

I purchased this for my 7 year old who does know how to sew but is still learning. She loves the outfits, bags, and especially the dog. I did see complaints about the patterns being printed on both sides of the pages and I really dislike that. One upside is that by not removing those pages we always know we can make new copies if needed.

Complete, understandable patterns for 18" dolls. Highly recommend this book! Great for beginners or experienced sewists like me.A must have!

I love this pattern book and can't wait to start sewing clothes from it. I am really enjoying sewing doll clothes at this time in my life but I especially enjoyed this book.

This book is wonderful. It is easy to understand and great to teach a child to sew doll clothes. The choices of clothing and accessories are so cute. My niece and I took the book to the fabric store and spent time choosing fabrics. This was a fun day and she was so excited The next day we spent time sewing and seeing the clothing coming together was thrilling. The grand finale was dressing her American doll with clothing she had made. I'm not sure which one of us had more fun!
