Includes thousands of Multiple-Choice Questions with solutions and hundreds of Task-Based Simulations in the four-volume set

To be honest, i don't think 2017 version is better than 2016 or 2015..2017 version contains only a few MCQs, no more than 5 for each course. In addition, the explanation for each question has been reduced. In the prior version, the answers describes why A, B, C, D are correct or incorrect, however, 2017 version only explain why a certain choice is correct, and never mention why the other choices are wrong.I really don't like it. I prefer 2016 version

Not much to say for studying. Very quick service. Thanks
