Customer Reviews

Wonderful read!! It just spills you in to where you can't put it down!!

I am sad they lost more people, and I really thought sue was a traitor boy o boy was I shocked she was captured and again when she gave her life for her alphas. Man I would like more of their story and Abby and James yes! Still no steamy parts yet lol

I want more!! I flew through this one and cannot wait to read more!!Bravo, Mandy Adler!!

It was a good book, but had a lot of typos. Also not enough action. I loved Lilie and Zach's charecters.

The amount of grammar mistakes in this made it difficult to read.
