Learn How to Quickly Solve Difficult OAT Test Questions Here's a little "secret" about the OAT: the OAT is what we in the test preparation field call a "content driven" test. While some tests are looking to see what you are ABLE to learn, the purpose of the Optometry Admission Test (OAT), offered by the Association of Schools and Colleges of Optometry (ASCO), is to test your understanding of what you have already learned. The goal of the OAT is to use a standardized testing process to create an objective assessment of a test taker's knowledge and skills. In other words, it's more about what you know than your ability to solve clever puzzles. This is good news for those who are serious about being prepared, because it boils down to a very simple strategy: You can succeed on the OAT by learning critical concepts on the test so that you are prepared for as many questions as possible. Repetition and thorough preparation is a process that rewards those who are serious about being prepared, which means that succeeding on the OAT is within the reach of virtually anyone interested in learning the material. This is great news! It means that if you've been worried about your upcoming OAT, you can rest easy IF you have a good strategy for knowing what to study and how to effectively use repetition to your advantage. But it also creates another set of problems. If you tried to memorize every single possible thing you can for the OAT, the field of possible things to review would be so huge that you could not hope to cover everything in a reasonable time. That's why we created the OAT Flashcard Study System: we have taken all of the possible topics and reduced them down to the hundreds of concepts you must know and provided an easy-to-use learning method to guarantee success on the OAT. We wanted this system to be simple, effective, and fast so that you can succeed on your OAT with a minimum amount of time spent preparing for it. --Here Are Some of the Features of Our OAT Flashcard Study System Study after study has shown that repetition is the most effective form of learning- and nothing beats flashcards when it

comes to making repetitive learning fun and fast. Flashcards engage more of your senses in the learning process- you "compete" with yourself to see if you know the answers to the questions, and the flipping action gets you actively involved in the learning process. Our cards are printed on heavy, bright white 67 lb. cover stock, and are laser printed at 1200 dpi on our industrial printers- these are professional-quality cards that will not smear or wear out with heavy usage. We cover the major content areas on the exam. Our flashcards include an edge that is micro-perforated, which means that you are much less likely to have a painful papercut on your fingers when moving quickly through the cards. Our cards are portable, making it easy for you to grab a few and study while waiting for the bus or the doctor, or anywhere where you have a spare moment that would otherwise be wasted. Our cards are written in an easy to understand, straightforward style - we don't include any more technical jargon than what you need to pass the test. The cards are a generous size- 3.67 x 4.25 inches- they fit perfectly in your hands and they aren't so small that you have to use a magnifying glass to read tiny type- all questions and answers are in a normal-size print for easy studying. Our concept cards include in-depth explanations- you won't see any "one word" answers on our cards that require you to go get a textbook to understand why your answer was wrong- all of our cards include generous, thorough explanations so you not only get it right or wrong- but you also know why! We use a font created by Microsoft to make reading easier- this will enable you to absorb more information painlessly during late night study sessions. Our system enables you to study in small, digestible bits of information- unlike using boring textbooks, flashcards turn learning into a "game" you can play until you've mastered the material. It's easy for a friend to help you study- they don't even have to know anything about the OAT- if they can read, then they can quiz you with our flashcards! Now, let us explain what the OAT Flashcard Study System is not. It is not a comprehensive review of your education, as there's no way we could fit that onto a single set of flashcards. Don't get us wrong: we're not saying that memorization alone will automatically result in a passing OAT score- you have to have the ability to apply it as well. However, without the foundation of the core concepts, you cannot possibly hope to apply the information. After all, you can't apply what you don't know. OAT Flashcard Study System is a compilation of the hundreds of critical concepts you must understand to pass the OAT. Nothing more, nothing less. --If you think there's even the smallest chance that these flashcards will help you, you owe it to yourself to try them out. Don't let fear or doubt stand in the way of your opportunity to achieve the test score you need to fulfill your dreams.

These Bath Towels are quality towels and they're worth the price. They're the great size, wash well,

very absorbent and folds really flat making it easy to pack. I've had towels that were too fluffy and took up way too much space for what they do. If you're looking for great bath towels look no further you've stumbled upon the last towels you'll ever buy, Enjoy it.

I love the size of these towels! They did arrive with an odd odor but I always wash them before use anyhow. The smell came out in the wash and they were fluffy and fantastic! I was due for new towels! LOLThe band around the end has a slightly different color edging to it that I wasn't able to fully see in the images, but I like it! Subtle yet classy!

wow i relay like this item, and its good quality and love the way how its packed.If you looking for good bath towel, and you wanna keep it for the longs time, this is the one you looking for

These towels are absolutely fantastic. They are super large, so they wrap around your entire body. I am on the larger side so the fact that they do that for me means they are extra huge. The towels are thick and fluffy and the color is vibrant and bright. I ordered the blue ones. There is no fading when they wash and they are just as fluffy as before they were washed. The fact that four towels come in this pack for this price without sacrificing quality is phenomenal. I am very excited to continue to use these and so happy with my purchase.

These bath towels are great, they are soft and also very absorbent. Comes nicely packaged, and we are extremely happy.

Â I got this because of the other reviews for them. I love the big towels and the gray color of these towels. I don't have a lot of quality towels at home, just some that I would take here and there from Lifetime Fitness. But those are very rough and hard on my skin, as well as how thin they are. These towels are by no means thin. They are thick towels that you would only need 1 of after a shower. They feel like a bath towel that a Hilton hotel gives you during your stay! Very great! 5 stars!

fast ship, wellmade, absorbent towels,recommend

Absolutely beautifully made towels! These are very high end, extremely high qaukity towels, and they are HUGE! I almost didn't want use them. Wash them before you use them. They have that plush feel to them, so at first the water will trickle off of them (so do a prewash). These would be

really nice as a home warming gift. Or in a master bath. I plan to get our last name sewn on them and use them as beautiful decorative hanging towels. They are so lovely!
