Publisher: Larousse Bilingual/French; Min Blg edition (March 30, 2006)

Language: German

ISBN-10: 2035421268

ISBN-13: 978-2035421265

Product Dimensions: 5 x 3.2 x 1.2 inches

Shipping Weight: 6.4 ounces

Average Customer Review: 4.0 out of 5 stars 2 customer reviews

Best Sellers Rank: #2,377,095 in Books (See Top 100 in Books) #46 in Books > Teens >

Education & Reference > Foreign Language Study > German #243 in Books > Children's Books > Education & Reference > Foreign Language Learning > German #779 in Books > Textbooks > Humanities > Foreign Languages > German

Age Range: 12 and up

Grade Level: 7 and up

Customer Reviews

The Larousse editorial team includes many language and reference experts based in countries around the world. In this way the linguistic team keeps its finger on the pulse of living languages as spoken by the native language speakers of these countries.

I bought this product for a business trip to Germany. I had never even been to Europe before, and I thought that having a dictionary would be a good idea. While this product is excellent for helping read menus and signs, it lacks when it comes to pronouncing the words. For example, I looked up

the word "check" so that I could ask for my bill in a restaurant. Using my dictionary, I found that the word is "rechnung". Having never had a German lesson, I had no idea how to say this word. So I looked it up on the German side to see how to pronounce, however the pronunciation uses German symbols which I don't understand. When the waitress came, I butchered the word terribly and she helped me with the correct pronunciation. Luckily I stayed at a hotel with a very nice and helpful wait staff! Overall, I'd say that this dictionary is helpful for looking up words here and there. The dictionary contained almost every word I tried to look up. However, it is not a substitute for having a little bit of German language training.

This small pocket sized dictionary does have a lot of words you can reference and it does fit in your pocket (a large pocket because it is somewhat thick). One could carry this around as you would walk through a German city for example to look up basic phrases and words. However, for more complex language needs such as reading magazines and books you are going to need a larger dictionary, and I found it totally inadequate for these latter needs. However, it is practically impossible to have both capacities built into one book, and thus I think this one does a good job for what it is.
