Frat Boys: Gay Erotic Stories

Synopsis

Paddlings, partying, hazing, wrestling at the frat house - these gorgeous undergrads know how to have fun, especially with each other. The stories of Frat Boys not only make the grade but go to the head of the class with page-turning, arousing action featuring hunky college boys getting it on. A pledge is literally put to the test in front of fellow classmates by his horned up professor in Gavin Atlas' "The Latus League." There is hot action of every kind in the name of higher education in A. Ferguson's "Date Night at the Delta Tau Delta." There's a little lust and romance between a b-baller and a frat boy in newcomer C. C. William's "The Pick-Up Game." A student with a jockstrap-sniffing fetish goes wild in Jeff Funk's "Frat House Midnight Snack." A pledge finds himself on the receiving end of a drag queen in Rachel Kramer Bussel's "Stripped." Jeff Mann returns with his signature lyricism and lust in "Blue Briefs." Top erotic writers Logan Zachary, Neil Plakcy, Rob Rosen make this an A+ anthology.

Book Information

Audible Audio Edition

Listening Length: 7 hours and 23 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Cleis Press

Audible.com Release Date: February 12, 2013

Language: English

ASIN: B00BES97EM

Best Sellers Rank: #356 in Books > Audible Audiobooks > Fiction & Literature > Erotica #1017 in Books > Gay & Lesbian > Literature & Fiction > Erotica > Gay #2292 in Books > Literature & Fiction > Erotica > LGBT

Customer Reviews

Variety of situations, lot of action.

I really enjoyed this book, and would recommend it to anyone who enjoys this style of book. So go buy it.

Oh super. More frat boys. Just what the world needed. Okay, that sounds harsh - and I suppose

there's some bitter in there, too - but in the interest of full disclosure, I should point out that my own personal experiences with a frat were anything but erotic. Frustrating, discouraging, and outright mean would be closer to the truth. It will likely surprise no one that in the long run I didn't end up in a frat - though to be fair I made some good friends in the process. But when I got a copy of *Frat Boys*, I cringed. To me, frat boys are about as sexy as Big-C Conservatives (which are Canada's answer to the republicans). Now, I've definitely been one to have my preconceptions slapped around before, so I opened the book - and tried to do the same with my mind - and delved in. First story? Jeff Mann. There's nothing like finding a story from Jeff Mann to make me sit up and pay attention. If you haven't read *Fog* - his most recent erotic novel - I insist you stop reading this review and go order it somewhere first. I'll wait here. Ordered? Okay, good. That novel you just ordered is full of Mann's astounding ability to pull erotica from violence, bondage, or the edge of things usually left to the realms of fear and pain. So imagine my surprise when I read his story, "Blue Briefs," and found myself suffering from a bittersweet heartache and the sniffles. It was the perfect way to lead off the anthology - a story that brought me to a place I'd never expect to end up in an anthology about frat boys: somewhere bittersweet (after a brief stopover in the world of sublimely sweaty and hairy bondage, of course). The ending was startlingly unexpected, and all the better for it. As was the collection. It's in these surprisingly fresh tales that Allison's anthology shines. Gavin Atlas brings forth another of his trademark style: a tale of an insatiable bottom who struggles with how he enjoys the humiliation and dominance of his frat brothers in "The Laisus League." This is another story where I wasn't sure where the author was taking me, and even though I know and love Gavin Atlas stories, I didn't quite see the ending coming. Again, that's a good thing. Rachel Kramer Bussel's "Stripped" was another great story - a pledge colliding with a she-male stripper that the frat has hired mostly to humiliate him, and the dawning self-worth and self-realization that the meeting inspires. I loved this story, not the least of which for turning the usual frat boy tale on its head and slapping it around with some gender fluidity. Thank you Rachel Kramer Bussel. That said, there are also some well-written stories that delve in the more typical arenas of the frat boy trope. Hank Edwards gives us "Old Glory" - named for a glory hole "stall" the frat has set up in the basement where the guys bring their very drunk ladies for some through-the-hole pleasure. That the young man in the tale ends up inside the booth is no surprise, but the story itself teases in just the right ways. C.C. Williams steps outside the frat for his main character, Noah, who has been watching frat boy Jerry from afar in "The Pickup Game." The sparks - and the meddling of Noah's friends - had a genuineness to them that was charming. "Lessons in the Library" by Rick Archer tells us the story of a young man who came out - and the fallout was terrible from the frat he was pledging - and how

the scars might heal. "Lessons" showed a more plausible side, from my experiences, and I appreciated its inclusion. All this to say that I was surprised - pleasantly surprised - by Frat Boys. There are some very original ideas in the book, and even those stories that aren't exploring new ideas are told with verve and definitely sizzle. For the Jeff Mann-Gavin Atlas-Rachel Kramer Bussel trifecta alone, this anthology is a worthy grab, but the rest of the tales aren't filler, either. It's a sexy book, with some great surprises, and an overall variation to the theme that keeps it from being just another collection alongside Daddies, Jocks, and Twinks. And when you're done, you've already got Fog on order, too. You're welcome.

Look, we all know (or should) that college is hardly an erotica festival of lust, especially if you're gay. Several stories are very honest about that. The characters are closeted, the relationships complicated. There are also stories that gloriously re-imagine college as a buffet of man butt. Personally, I like both. Sometimes you feel like being kicked in the feelings, sometimes you feel like a happy go lucky romp through the hallways of dirty dirty frat boys. So big a copy, and pace yourself as needed :)
