Blessed Is The Spot: A First Prayer Book

Synopsis

An ageless and universal prayer comes to life in this board book format with DVD animation. Designed for young children of all faiths to enjoy, the animation employs each page of the book and, with the lyrical voices of children as the soundtrack, becomes a visual interpretation of the prayer in motion. The inspirational artwork reflects the peaceful sentiments expressed in these gentle yet powerful words, which honor every place where God is praised. The large letters, simple language, and animated DVD make the prayer accessible to even the youngest reader. Blessed Is the Spot is perfect for children's spiritual classes, interfaith events, devotionals, and peace-keeping gatherings. The prayer comes from the Baha'i sacred texts. Founded in the early 1800's by Baha'u'llah, the Baha'i Faith is an independent world religion based on Baha'u'llah's teachings.

Lisa Blecker and C. Aaron Kreader are a creative husband and wife team who formed Studio 9 Inc. Their writing, illustrations, and graphic design appear in several award-winning publications including *The Good in Me from A to Z* by Dottie and *Brilliant Star Magazine*.

Great! The twins, who received this for their third birthday, wanted to see the companion DVD over and over. They quickly memorized the whole thing and love to use the book as they sing this moving prayer. They had previously memorized *O God Guide Me*, followed by *O God, Educate These Children*, and both boys were very excited to learn this one right away. This gift from

Grandma and Grandpa, is sub-titled A First Prayer Book, which it was for the boys, but their third prayer learned. They love it.

My little one loves this book. The pictures of children and the illustrations for such concepts as 'refuge' draw her in to understand the language of this beautiful prayer. The DVD puts the same illustrations to the music, making for a wonderful way to learn the tune.

Beautifully illustrated and simple, sturdy book.

My grandchildren love the illustrations and I love the durability. Their favorite prayer book.

Baby-friendly Baha'i prayer book with beautiful illustrations--perfect for English-speaking families with young children. I'd buy other prayer books published in a similar style. DVD with prayer sung in 90-seconds sung not necessary if caretakers can sing it.

My young children (3yrs & 18months) love this simple and tastefully done prayer book. They also love singing along to the short dvd. It is by far their favorite prayer at the moment!

This is a beautiful and inspiring book, and the animated DVD is wonderful. It's suitable for kids of all faiths and a great way to introduce them to spiritual concepts, music, and prayer. I've never shown it to a kid who didn't love it.

Excellent. I would highly recommend to everyone. It's a wonderful prayer and read for the little ones. It's a prayer I've enjoyed all my life and now I get to share it with my children. :)
