I got this for my wife as a Christmas gift & she loved it! It is well composed & contains tons of great

behind the scenes info that fans will definitely appreciate. The cover is very nice & the illustrations are great as well. The book itself is also put together very well. Although the spine had minor damage upon arrival it did show up on time. The damage on the spine may very well have been the fault of the mail carrier so I cannot hold the seller accountable. Over all a great buy & awesome addition to your Hunger Games collection!

To keep your Hunger Games fervor going, check out the "official" illustrated movie companion! Everything you wanted to know and didn't know you needed to know is between the covers. Very informative and well-documented with photos.

Book exactly as described, no marks, tears or rips. No damage in transit. This item is exactly what I wanted and I would recommend it to anyone studying or interested in film or acting. It describes the work that goes into filming, organise sets, scenes and how the actors integrated their skills.

Bought this for my daughter for Christmas. From the description, I was expecting a thinner, more magazine-like booklet, but it turned out to be quite thick, with nice, glossy pages, and tons of content. Quality item, worth the money.

As a huge fan of the Hunger Games trilogy, I was not disappointed by the Catching Fire movie companion! It contains lots of detailed photos from the sets while the movie was being filmed, and lots of photos of scenes from the actual film. A must have for any Hunger Games fan!

I love these books, they are great for fans of the books and movies! If you like these, read the US COLLECTORS MAGAZINES!

After watching the Hunger Games movie I had to read the books with prompted me to love all things Hunger Games. The Movie Companion was a must. The behind the scene stories and stunning photography make this book a must have.

So much cool info and filming pictures, and the directors and actors talk about what it was like to film this movie.
