Baily doesn't get to go on the trip with his older brother and sister, but discovers that some of camping's pleasures can be had at home. Ages 2-6. Copyright 1989 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

PreS Bailey's Bunny Scout brother and sister are going camping, but he is too young to go with them. Although they tell him that fishing, sleeping in a tent, eating hot dogs and toasting marshmallows isn't that great, Bailey is not to be comforted until Mother suggests that he can do all the camp things right at homewhich he does. The pale blues, grays, purples and soft yellows of the watercolor and pencil drawings are a soothing complement to the quiet text. Illustrations are bordered and centered; text appears opposite or below the artwork. The rabbits, who show human expressions, are drawn in a simple cartoon style, with human clothing and household accoutrements. An enjoyable read-aloud book for small preschool groups or before bedtime. Dawna

Love this story...and so do my students & grandchildren!

I am not happy with this purchase because I only received 1 book with the CD, not the 4 books that were promised and paid for. ã Â Â^Â

This story was loved by my son and now by my youngest grandson. Anyone who has been told they are "too little" should read it-- or have it read to them before "going to sleep under the stars".

This book is exactly what I was looking for for my 1st grader. Great story and moral.

cute story for my camping classroom during Kevin Henkes author study.

My kids grew up with this book and now all of my grandkids have a copy.

Love this old classic! Great price. Great story!

This was a gift to my grand daughter Bailey.
