My 9 year old son enjoys this devotional on his each night before bed. After attending a Christian sports day camp, a desire to read daily devotions was sparked in him. He requested a sports themed book. We couldn't be happier with this one. It has kept his interest! Good stories with a connection to the Word and relevance to his life. He often shares the stories with me. Definitely a good devotional for your young athlete!

Great devotional! My ten-year-old son loves all things sports, so he really enjoys these daily reads. They're nice and short with wonderful truths in each one. I recommend for any sports-loving child!

I purchased this book for my boys who play baseball, basketball, and football. I thought it would be a great way to continue to bring God into every aspects of their life. My husband coached my son's basketball team, and decided to share it with the players. They absolutely loved it. As a nice way to give a gift to the players. We decided to buy each young man a copy so that they could continue to read after the season. I would highly recommend this book !!!!!!!!!!!!!!!

Bought this for my sons birthday but our whole family has really enjoyed it. We love watching sports together and so this was a natural choice for us. It's full of great sports facts and stories and does a wonderful job of relating them to biblical principles and verses. I am so glad we bought this. Highly recommend it!!

This book is great, bought it for some 4th grade boys in my Sunday school class. It was great for the sports lover in them and they could also be sit down with their families and do the devotions together. Age appropriate. I give it two thumbs up!

This was a gift for my 12 yr. old Grandson who does not like to read. He truly enjoyed this book, the activities and read the entire book. Give this 10 Stars !!!! Thank you

My husband, 8 year old son and I love this devotional. Such great and interesting sports stories that are always tied to biblical scripture and concepts. Very well done and we love it. So grateful for the writers that took the love of sports many boys have, my son for sure, and found an interesting way for them to learn God's word through sports.
