Synopsis

Strange Paradise: A Collection of Swear Word Coloring Book Pages for Adults. For fans of Adult coloring books! Get free printable coloring pages at www.swearwordcoloringbook.com! Over 35 original swear word coloring book designs Includes a variety of styles and design so it's not the same design throughout Get the latest swear word coloring book! In this cuss word coloring book you will find some of the most memorable designs and swear words. It's a 'strange paradise' when you take adult coloring and decide to mix in few swear words. Or, a lot. But, why not? Think about it. Have a bad day? Do you really think coloring mandalas or paisleys only is going to feel THAT much better? Sure, maybe a little. But throw in a good old fashioned 'F*ck,' color that son of a b*tch, and then tell me 'How do you feel?' Strange Paradise is jam packed with a variety of swear words and phrases for a variety of situations. In other words, we got you covered. Get in a fight with a significant other or family member Or, are you pissed at a co-worker and want to tell them to take a fucking hike? Whip out the crayons, colored pencils, or markers, because THAT page is ready for you. Did your 'mini me' miss the toilet while taking a poop? "I Need a F*cking Drink" just might be the swear word coloring book page you will want to color. Oh, and did someone try to talk sassy to you and you just weren't having it? "Shut your f*cking trap" may provide hours of relief. At any rate, you are bound to find a swear word, phrase, and design to suit you and your situation and needs. This swear word coloring book has over 35 original adult coloring book designs and more than 35 swear words. Each coloring book page is creatively designed by creative John T. John T started illustrating adult coloring books in 2015 and found a home in the swear word coloring book niche. He is very active in the Swear Words Adult Coloring Worldwide Facebook Group. You can find more information about him and the books the swear word coloring books that he creates at: www.swearwordcoloringbook.com.

Customer Reviews

Like everyone else has already said the variety of this book is amazing! There are different collections and something everyone will love! Who doesn't love coloring bad words?! I certainly love it!! The fuckerdoodles and fuckcicles (can I swear in a review?? Hmm guess I just did!) are my favorites for sure, they are so different from anything else! But everything in the book is great! There are designs for if you want something quick and easy to go to, to let off some steam. There are designs that'll let you get really creative and take some time! Best part is there's a PDF version included so you can print them off and color again and again!!! Great work! Happy I purchased this book!

Strange Paradise is an interesting collection of images. It has a few different sections in it of varying complexity, and I believe this is John's first coloring book that he put out. I wound up buying this recently when it was on sale, because I felt that his newer book wasn't my cup of tea (it's starting to grow on me though) but I wanted to support him in some way nonetheless. It sort of feels like an artist's experiment, to me anyways. Some of the designs, like the floral swears, are a bit overwhelming to me but then you get into the more simple pages, or pages with scattered images and it's sort of child-like, in a weird way? I'm going to include a picture of the first page I completed from it, a very simple page but John said that this was the first time he'd seen anyone color it. I'd suggest it to anyone that might want something a little offbeat, a little random, and if they don't know what they might like to color in yet in terms of designs and complexity.

John Tommervik, creator of this book, is simply awesome! Not only does he supply hours of entertainment with these books, but when you purchase you even get links for extra free pages(which I love when authors do that!). This book has different sections with themes, sure to keep you laughing/smiling with each turn of the page. If you have younger ones who can read, keep away from those little eyes or they will start sounding like a sailor-otherwise enjoy!!!

I love the variety of images in this book. You can tell the author put a lot of thought into this,

because he has included so many types of designs instead of sticking with one major theme throughout the book. The fonts were also well planned and fit nicely with the images on each page. The images are single sided and range in difficulty throughout the book.

John's first printed book is great. Pages are single sided, so I'm able to color with sharpies and not ruin a page behind it. I loved coloring the mountains and "happy trees". Keep up the fun art John!

Love this one! It has 6 different collections (themes) to choose from, so there's something for everyone. Irreverent and chock full o' swear words, it's a great way to spend a day. NOT for those who are offended by swear words!

I think this might be my favorite coloring book that I've purchased so far. I'm going to echo everyone else and say the variety of designs in this book is fantastic. It's separated into 6 "collections" and each group of artwork has a similar theme. This is perfect because it doesn't ever get boring. Quality of the book is great, and I personally love that the cover is pink. The author also values his customers feedback and it's always nice to feel like your opinion matters.

Nice addition to my swear word coloring collection. Paper is decent quality, single-sided pages, non-perforated.
