100 Years Of Vintage Watches: Identification And Price Guide, 2nd Edition

Synopsis

Telling time has never been so stylish. 100 Years of Vintage Watches brings an entire century of classic watch craftsmanship to life with over 1,000 full-color photos. Detailing watches made between 1870 and 1970—the most popular century for watch collectors and aficionados—Dean Judy's remarkable guide provides information on what and how to collect as well as what to avoid. In addition to large, detailed photos, 100 Years of Vintage Watches offers accurate pricing information, and a description, history, and dating for each of the watches included. Watch collectors will find the before-and-after photos of vintage watch restorations particularly useful, especially when it comes valuing a piece. And who knows, maybe that old watch your grandfather left in his junk drawer is worth thousands. Featuring examples from over 50 watchmakers including renowned Swiss companies like Agassiz, Rolex, Breitling, Cyma, Tissot, and Zodiak as well as American companies like Bulova, Elgin, Hamilton, and Illinois, 100 Years of Vintage Watches is a comprehensive and practical guide to the greatest century of watchmaking in modern history

Customer Reviews

Very Useful book. Excellent Seller

I found this book to be excellent reading. It includes hundreds of beautiful photos and a brief but fascinating historical summary for several well-known foreign and American watch manufacturers.

Even a person who knows nothing about watches would enjoy browsing through this book. Highly recommended.

Arrived on time. My friend who collects watches loved it.

If you are looking for a nice and decorative book, this is for you. I was looking for watchmaking history through pictures and this book was a disappointment because of the lack of content. Maybe expecting the Cooksey Shugart guide with good quality pictures was a mistake from my side.

Very informative! Great guide! I would recommend this guide to any watch collector! Thank you!

great info - must have for collectors - lots and lots of pictures

Tons of interesting info Great gift for watch guy

This book is great! I just began collecting vintage watches and I've learned so much from this book. I refer to it again and again. I would recommend this book to anyone who is a collector or even just interested in the subject.
