The Fall (CHERUB)

Synopsis

In this action-packed CHERUB novel, two siblings on separate special agent missions both end up in deadly danger. CHERUB agents are highly trained, extremely talented—and all under the age of seventeen. For official purposes, these agents do not exist. They are sent out on missions to spy on terrorists, hack into crucial documents, and gather intel on global threats—all without gadgets or weapons. It is an extremely dangerous job, but these agents have one crucial advantage: Adults never suspect that teens are spying on them. In *The Fall*, when an MI5 operation goes disastrously wrong, James needs all of his skills to get out of Russia alive. Meanwhile, Lauren is on her first solo mission, trying to uncover a brutal human trafficking operation. And when James does get home, he finds that his nightmare is just beginning...

Robert Muchamore was born in London in 1972 and used to work as a private investigator. CHERUB is his first series and is published in more than twenty countries. For more on the series, check out CherubCampus.com/USA.

I have never picked up a book series and have been so amazed by words on paper. Robert Muchamore has a serious skill for making you feel as if you are standing right in the middle of these stories. I originally borrowed the book series from my cousin but they were just so good I had to buy my own set as I couldn't stop reading them. The Fall is another Robert Muchamore book that you will plough through without even realising how much you have read and at that stage you will realise your done. Stop reading this review and go buy it!!!!

Good and always a page turner as the rest of the books in the series. You just can't help finance finishing it in 3 ½ hours.

Always has a new way of keeping you interested. You won't be sleeping for nights reading the CHERUB series. Awesome!!!

As an adult reader I was pleased to notice that the author broke through cultural stereotypes and was accepting of kids of different races and sexual persuasions. Very intense action story. I am reading behind my 12 year old grandson and am very impressed with how this author writes.

Great story, literally couldn't put it down. Stayed up until midnight twice trying to finish the book.
