Charleston: A Photographic Portrait

Synopsis

With its cobblestone streets, rustling palmetto trees, and moss-draped live oaks, a walk through Charleston feels like stepping back in time. Captivating and beautiful, this modern port city with an Old World sensibility has drawn admiration since its foundation by British colonists in 1670. In the following centuries, the patriotic city has managed to preserve its graceful and historically significant architecture even as it has been battered by hurricanes, earthquakes, fire-and war. The city and its residents continue to define Southern hospitality with world-renowned cuisine and a rich cultural heritage. Water is always close by, whether you seek welcoming, pristine beaches or striking views of the now peaceful Charleston Harbor, where the Ashley and Cooper rivers intersect to join the Atlantic Ocean. From a skyline filled with elegant church steeples and elaborate antebellum homes to vistas revealing picturesque plantations and sweeping marsh views, there's so much to discover here.

Customer Reviews

Aleigh Acerni is a Charlotte, N.C.-based writer, editor, and author. She has been an editor at award-winning publications including skirt!, Where magazine, and Charlotte magazine. She is especially drawn to writing about food, travel, natural beauty, sustainability, gardening, and green living. She is the co-author of Justice at Guantanamo: One Woman's Odyssey and Her Crusade for Human Rights, with attorney Kristine Huskey, published by Globe Pequot Press in 2009.

great for our living room table. We love Charleston and this keeps us close by without being there

Exactly what I was looking for! I purchased this book for guests to sign at my daughter's wedding in Charleston. Every page has beautiful pictures of the Charleston and Low Country area, and guests wrote lovely comments to the newlyweds throughout the many pages. This book is now a true keepsake to remind the couple of their destination wedding and those that attended.

Beautiful book.

The photography is lovely and shows off a beautiful resilient city. I have never been to Charleston, but I get the feeling from the photos that it is a majestic lady, with its beautiful buildings, clean streets and the fountain at the start really took my breathe away.
