# The Infamous Bachelor Party Playbook: A Scavenger Hunt For The Mild & The Wild

## Synopsis

Every Bachelor wants to have the party everybody remembers and talks about for years to come. The Infamous Bachelor Party Playbook is the key to getting that party! It is filled with more than 50 "scavenger hunt styled" challenges for your men to try. Each challenge has points. The crazier and more funny the challenge, the more points that player would earn. After someone achieves a challenge, they would sign and date the section under each one. Signing it makes it easier at the end to add up the points and find the winner. It also makes this book even more cool for The Bachelor, because now he has a book full of embarrassing moments each of his closest friends did on his special night. SIDE NOTE: I'm guessing you might know a Bachelorette, So you should also check out- The Infamous Bachelorette Party Playbook!

## Customer Reviews

I bought this for the groom, and it was a hit. He had a lot of fun doing these challenges as well as the rest of us. It was a great excuse to talk to girls, get numbers. And As the single guy of the group I loved it. It's pretty amazing how people are willing have fun with us in these challenges and help us complete the book. Not to mention all of the free shots! This book was a great idea.

This book is so much fun! It has plenty of activities but not too many that everyone starts getting bored. I love the idea of signing your name next to the activities too, so everyone can look back and reminisce of who did what. All the activities are funny to do and watch. Nothing too crazy that would be considered "crossing the line" for your bride. Great book! Great memento to keep from an

awesome night!

Great idea.
