# The Complete Single Father: Reassuring Answers To Your Most Challenging Situations

## Synopsis

Being a single parent is a tough job no matter who you are, but if you're a single dad, you likely feel you've entered a strange, new world. Whether your kids are twelve months old or twelve years old, the tips and advice in this comprehensive guide will make the little tricks of parenting feel like second nature to you. Authors Elaine Fantle Shimberg and her son, single father Michael Shimberg, show you how to: Make your house (or apartment) a home Juggle your work and personal schedule with that of your kids Coparent with your ex for the kids' sake Handle special circumstances if you're a widower Celebrate holidays and deal with in-laws Raise daughters, both youngsters and teens Cook foods your kids will eat Field common childhood maladies Date again Throughout, Fantle Shimberg and Shimberg include Tips from the Trenches anecdotes from more than fifty single dads just like you on what works and what doesn't as well as recommendations from lawyers, marriage counselors, psychologists, social workers, teachers, and clergy members. With *The Complete Single Father*, you'll have everything you need to enjoy your kids while maintaining a stable environment and reducing stress for all involved without losing your sense of humor!

## Customer Reviews

I read some chapters of this book and I find it very easy to read with great content. I like also the fact that you can start from any chapter

Great condition

I really enjoyed this book. I found each section valuable and easy to read. I just wish I would have read it sooner. I had learned many of suggestions in the book the hard way (trial and error). I especially enjoyed the "Raising your daughter" section. There are so many things I still need to learn. This book was a great spark to inspire me to investigate and research more. I am especially glad to know that other fathers have experienced the same problems and feelings.

Very accessible parenting book, some really good points, some stuff that seems to miss the mark for a lot of single dads

Pretty obvious content. A boring read.

Good information to share

This book is such a blessing to single fathers, and, for that matter, any father. As a counselor, I frequently deal with men who have become single fathers, either through widowerhood or divorce. Sometimes, men must care for children because the mother is ill or away, as with so many military families these days. There are also many men who want to be closer to their own children and feel more competent to nurture and care for them. This book is a great answer for any dad who feels lost and alone. Fathers who read this book, even before the baby is born, will be reassured to know that parenting is a skill they can learn, and *The Complete Single Father* is exactly what its title says, a complete guide for any father who seeks information on expertly caring for his children. Any father, single or not, should have this close at hand, and mothers will find it useful, too. I'll recommend it to all the fathers I counsel, and it would also make a great Father's Day gift. Tina Tessina, author of *Money, Sex, and Kids: Stop Fighting about the Three Things That Can Ruin Your Marriage*

The Complete Single Father; A five star book written by a mother, son collaboration. The mother, Elaine Fantle Shimberg, an award winning author of more than 20 books, and Michael Shimberg, a successful single parent of two. The Complete Single Father is a wonderful reference tool for single fathers, either through divorce or death of a spouse, as was my case in July of 2000. I wish now I had a copy then. It is a MUST READ for the single father now adjusting to his new role in life with his children and ultimately with himself. The authors even cover proper nutrition and give recipes for a balanced meal. Try "Georges Slow Cooked Beef Tips." The Complete Single Father, reading it just might make you a complete married father as well. "TOYK." Think of your kids.(Review written by Craig Denbow, Dec. 21, 2007)Â Are You Ready to Be Your Own Boss?
