The Bag Book: Over 500 Great Uses And Reuses For Paper, Plastic And Other Bags To Organize And Enhance Your Life (Lansky, Vicki)

Synopsis

Everyone accumulates them, but few have so many inventive ideas for bags as Vicki Lansky. Pinatas, kites, jump ropes, and hand puppets are just the beginning in this lively compendium of ways to get organized, make crafts, and clean up.

Customer Reviews

I knew this was an older book but I still hoped to get a few new ideas from it. Unfortunately, I did not learn anything new.

Some good ideas for bags. Not sure about some of them but I will read it and pass it on to others.

While the book is full of useful tips and suggestions it doesn't have much in the way of reducing getting all these bags in the first place. Would have been nice to educate people on this aspect too. E.g. encouraging people to use reusable shopping bags.

The Bag Book is chock full of tips and ideas for using bags to organize your life. With categories for paper, plastic, and miscellaneous bags (totes, garbage, and so forth), there is a practical use for almost any type of bag you encounter in your household. Ms. Lansky provides us with an interesting

primer on the history of bags, and her environmental comparisons will finally help you solve the age-old dilemma of every grocery shopper: paper or plastic? From getting organized with ziplock bags in the junk drawer, to staying organized using grocery bags in the closet for outdated clothing, using the tips found in *The Bag Book* will streamline your home organizing system

Vicki Lansky has all sorts of ideas for using new bags or recycling old ones. 'The Bag Book' is full of ideas for a household item we take for granted. (excerpted from an article by Judith W. Winne, Courier-Post Staff)
