Lethal Deception (Refuge From Danger)

Synopsis

Danger and intrigue lurk around every corner in this classic story from bestselling author Lynette Eason. Having rescued Cassidy McKnight from kidnappers in South America, Gabe Sinclair thought his job was done. Not that the former Navy SEAL could ever forget the brave, beautiful single mother. But when the danger followed her home, Gabe promised to protect her. Why anyone would want to kill Cassidy was a mystery. Was the motive related to the orphaned toddler Cassidy was raising, a sweet little girl who brought out the father figure in maverick Gabe? Or did a newly revealed family secret have killer consequences? Originally published in 2008

Customer Reviews

How hard would it be to discover something awful about your family? Or that people you thought were your friends were not? Or what really happened in the jungle? (Find out in River of Secrets). This book does give some background needed to understand the second book, and it is compelling in its own right. It's part of Love-Inspired Suspense and I give kudos to Harlequin for

allowing this line and the historical and romance lines to provide new and experienced authors a wider field of distribution.

Another great book by Lynette Eason. I plan to read the rest in this series as she keeps suspense and God's love flowing.

Love her stories, and Really enjoy her characters!! Best of all is the Pleasure of recognizing GOD's truths played out in those characters!! Full, rich, strong portrayals of how to be faithful and trust in GOD despite the evil in the world around us, and our own sinful nature and desires. Exciting and fun to read!

What a wonderful story. One of those you don't want to end. And is Micah really dead or can we get his story too?

For being a short book (250 pages), Eason has certainly jam-packed in plenty of action. The plot moves very rapidly and I could hardly believe when I was already at the end. There is no time to stop for air with one threat after another. I think the characters could have been developed further, but the reader will fall in love with them. Another good offering from Eason.

This is the first book in series. Suspense filled but still has a a good message. I suggest that you also read River of Secrets when you finish this book, it will tie up the loose ends from this story.

This author is excellent in writing good clean books that can still keep you on your seat. It was great that the setting was in Brazil. A promise and a deep love for a little girl that caused a chase in to the U.S. The ending was great.

Really enjoyed this book.
