Synopsis

This collection of highly creative and incredibly moving visual stories from 25 contemporary photographers has been thoughtfully curated by Alice Yoo and Eugene Kim, founders of the leading art and culture blog My Modern Met. These photo essays capture magnificent displays of ordinary peopleâparents and children, husbands and wives, grandparents, friends, siblings, and pet ownersâdoing extraordinary things for love. We are a family that rescues pups. I'm also a photographer, we'll was unruly I was diagnosed with Lupus. Slowly getting back to it. Our first rescue was after Katrina. Best dog you could ask for. She recently had cancer and unfortunately we lost her but pics of dogs just make you hapay. This is an amazing book even if you just look at the pics :)

I got this as a gift for a good friend of mine who thanked me and said it was exactly what she needed at a tough time in her life.
