Only My Heart To Give: The Story Of Olivia Bookman And Daniel Newton (The Elusive Groom Book 4)

Synopsis

Daniel Newton is despondent after losing his beloved wife. She left him a son, but he's unable to cope with taking care of the boy, or even himself. He's slowly giving up on life when Oliva Bookman, the new headmistress of his son's school, arrives from Dover. He thinks she's bossy, while she says he's an irresponsible father, but the fireworks between them reveal a far warmer flame than either of them expected. All the while, the town still searches for the missing groom of Honora Carson. Surely some clue will lead to him soon! [The Elusive Groom series follows the incredible journey of Bride-to-be, Honora Carson, in her search for her missing groom. On arrival in Glendive, Montana, as a mail order bride, she is shocked to discover that Titus, her intended, has disappeared without explanation. Honora's determined journey to find him takes her on a roller coaster ride of romance, where she finds herself embroiled in more than one love story along the way, before finally completing her own! Each book in the series is a wonderful standalone story, and also part of a bigger story that spans the whole series.

Customer Reviews

Good

This is a story about a man who had lost his wife in childbirth and was suffering. There was a Lady in town who had come to wed taking her time to get established, the widower had asked her to care for his son while he was away working. The child was not happy always thinking of his Father. I enjoyed these events as they came to know the other. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me wondering what next for the characters.

These stories are just getting better and better. I have a feeling that what Titus is afraid of has something to do with Henry in some way. Hurry to Nora

I really did enjoy this story about the early pioneer west especially the dangers and many problems they had to overcome each day. Love and compassion helped them overcome these each and enabled them to make it and have a full and happy life.

Olivia comes west to get married to Daniel. As usual things always happen and Titus leaves another message. He will make an appearance before long. Olivia and Daniel will have a long life maybe.

I enjoyed this story of adventure and romance. The characters continued to carry the underlying story along, the story of Honora.

good

great
