For my brother and he is happy

Arrived fast. Good

But this music doesn't include Chopin's Nocturne 20,21. Just noticing. And music itself has quite a good quality. The book opens easily and well. Satisfied!

Some competitions do not allow the Schirmer's edition because it has questionable fingering and interpretation? I think it's stupid that they don't allow it but I can't really argue.

Very nice book. Very clean, organized notations as usual. I must only give it four stars though because some of the fingerings noted can be somewhat troublesome and also because this publication is missing nocturnes #19 and 20.

I am genuinely disappointed that it did not include the Posthumus Nocturne 20a in C# minor.

it was everything it was supposed to be but turned out to be way beyond my abilities at this time

If you've used other Schirmers print music, there is no difference here. Their books are great quality, accurately published, and clearly printed. The book itself arrived in perfect condition, as I had hoped.
